

BUZZING MIDGIE

Buzzing midgie,
Creeping round the garden.
Buzzing midgie, it's not to be pardoned.
Buzzing midgie,
Looking all around.
Buzzing midgie,
Creeping on the ground.
Buzzing midgie,
With moth wings.
Buzzing midgie,
Stealing all your things.

And out of her cold cottage never answered Mrs. Gill
The fairy mimbling mambling in the garden. 카카카
